I had a similar issue recently. Have you checked if your function is being called at the right time?
Reply Delete Edit

Benjamin Adams 2023-06-30 At 13:57
Consider using a try-catch block to handle any potential exceptions in your code.
Reply Delete Edit

Josephine Clark 2023-06-30 At 13:58
Have you checked if your function is properly receiving the expected arguments?
Reply Delete Edit

Sophie Turner 2023-06-30 At 13:59
Are there any specific error messages or console logs that you can share with us?
Reply Delete Edit

Ethan Taylor 2023-06-30 At 13:59
Is there any specific behavior that your function is exhibiting that you find unexpected?
